

**NOTICE OF PROPOSED PROJECT TO BE LOCATED
IN A FLOODPLAIN OR WETLANDS**

(use by For-Profit and Non-Profit (Non Public) Recipient)

*Publication Date: _____

The **(name of applicant)** is proposing to conduct a **(name of project, e.g. rental construction)** project, to be funded with HOME funds received through the Iowa Finance Authority (IFA).

The **(name of applicant)** has determined that this proposed project lies in a floodplain/wetlands (or will impact on a floodplain or wetlands) and thus is publishing this notice in compliance with Executive Orders 11988 and 11990 and the Floodplain Management Wetlands Protection Guidelines adopted by the Water Resources Council.

This proposed project is located at **(describe by identifying streets, significant buildings, natural features and others)** and will consist of **(e.g., type of construction)**.

The **(name of applicant)** has additional information available on this project, which can be reviewed at **(identify location such as City Hall, to include address and room number)**. Interested persons can also call **(identify staff person)** at **(telephone number)** for additional information about this proposed project. The **(name of applicant)** is now considering potential alternative sites, potential flood impact on the proposed project, and potential mitigation to minimize flood hazard or wetlands impact.

Written comments on this proposed project are invited and should be submitted **by (date) ** to (City Hall, etc.)**. All such comments will be taken into account by the **(name of applicant)** prior to its decision on the proposed project.
